|                                      |  |
|--------------------------------------|--|
| <b>3. CODE PHYTOSANITARY HS CODE</b> |  |
| <b>NAME:</b>                         | NATURAL GREEN WICKER WITH BARK   |
| <b>CUSTOM DUTY:</b>                  | *****021   |
| <b>REQUIREMENT</b>                   | In the EU is not a requirement to export. It is issued in countries that request it. |

|                                   |  |
|-----------------------------------|--|
| <b>4. SENSORY CHARACTERISTICS</b> |  |
|                                   | <p>Texture: Light roughness by its bark. Very flexible.</p> <p>Color: Green, dark yellow, red.</p> |

|               |   |
|---------------|---|
| <b>5. USE</b> |   |
|               | Widely used for weaving of fences. Creating dunes on the beaches. |

|                           |  |
|---------------------------|--|
| <b>6. USEFUL DURATION</b> |  |
|                           | It is durable in water but it tends to dry out very easily. In case of fire, it burns quickly. |

|                                |   |   |
|--------------------------------|---|---|
| <b>7. CONSERVATION / STOCK</b> |   |   |
|                                | <p>Once dry, under cover or outdoors.</p> |  |

|                                 |   |
|---------------------------------|---|
| <b>6. LABELLING / SELECTION</b> |   |
|                                 | <p>Selected by sizes of 1m00, 1m20, 1m40, 1m60, 1m80, 2m00, 2m25, 2m50, 2m75, 3m00.</p> <p>Labelling with destination address (importer) and origin address (exporter).</p> |
